

Atlanta Bonded Warehouse HRA Summary

What is an HRA?

An HRA is a Health Reimbursement Arrangement that allows your company to share your in-network medical expenses towards your UHC OOP Maximum. This reduces how much you have to pay once your out-of-pocket amount has been met. This is how it works for Atlanta Bonded Warehouse.

How Your HRA Works

Your HRA is for all in-network expenses after your \$500.00 responsibility.
After \$500.00, 65% of every in-network expense you pay is eligible for reimbursement.

The maximum annual reimbursement for an individual is \$4,875.00.

The maximum annual reimbursement for an individual + 1 member is \$9,750.00

The maximum annual reimbursement for an individual + 2 members is \$9,750.00

Reimbursement Process

1. Each covered member must first meet the out-of-pocket responsibility of \$500.00 of in network medical expenses before they are eligible to receive paid claims from the Health Reimbursement Account (HRA). The maximum amount a family will pay towards their out-of-pocket responsibility is \$1,000.00.
2. When you pay in-network expenses, you will need to complete a claim form and submit your UHC Explanation of Benefits (EOB) showing the date of service, patient's name and amount incurred to the Admin America claims team at Claims@adminamerica.com for processing. ABW is scheduled to process claims on a Semi-Monthly basis. All claims to be processed must be submitted two business days prior to the scheduled processing dates. The claim form can be found on either the online participant portal (www.adminamerica.com > LOGIN > Participant) or directly on the Admin America website under the Resources Tab.
3. Please reach out to the Admin America HRA support team directly if you need any support either via telephone (678) 578-4642 or email HRA@adminamerica.com. They are available Monday – Friday from 8:30 am to 5:00 pm EST.
